

ESC Boarding Overview

1. We request that you supply your dog's regular food, so as to not change their diet while boarding. Each meal needs to be pre-measured and placed in a baggie/Ziploc. Pack an extra bag or two of meals in case your stay gets unexpectedly delayed or your return date changes. If you cannot for some reason provide your dogs own food there will be a \$6.00 charge/can for our in-house food.

2. Bring any oral medications and we will dispense them according to your instructions. NO CHARGE!

3. Please do not schedule a drop off after 4pm. If you drop them off at the end of the day they are super excited and hyper, while the other dogs at ESC will be tired from a long day of playing.

4. Pick up time is before 12 PM. A half-day daycare charge (\$30) will apply to any pick-ups past that time.

5. Reservations are required for all overnight stays and it is recommended that Holiday reservations be made weeks or months in advance.

6. Due to our locations and proximity to neighbors we do not accept dogs that have extreme **separation anxiety** causing them to be nighttime barkers and criers*. All clients are evaluated on an ongoing basis.

*We offer Out Of Kennel opportunities for some dogs that are not comfortable in a kennel. They would be placed within a "free area" on a comfy bed. Most dogs after a long day of play and stimulation prefer to have their own space in their assigned kennel, but occasionally there will be someone who won't rest inside one and we will try to accommodate. **Out Of Kennel is an additional \$10/night.**
